About KELOOLA

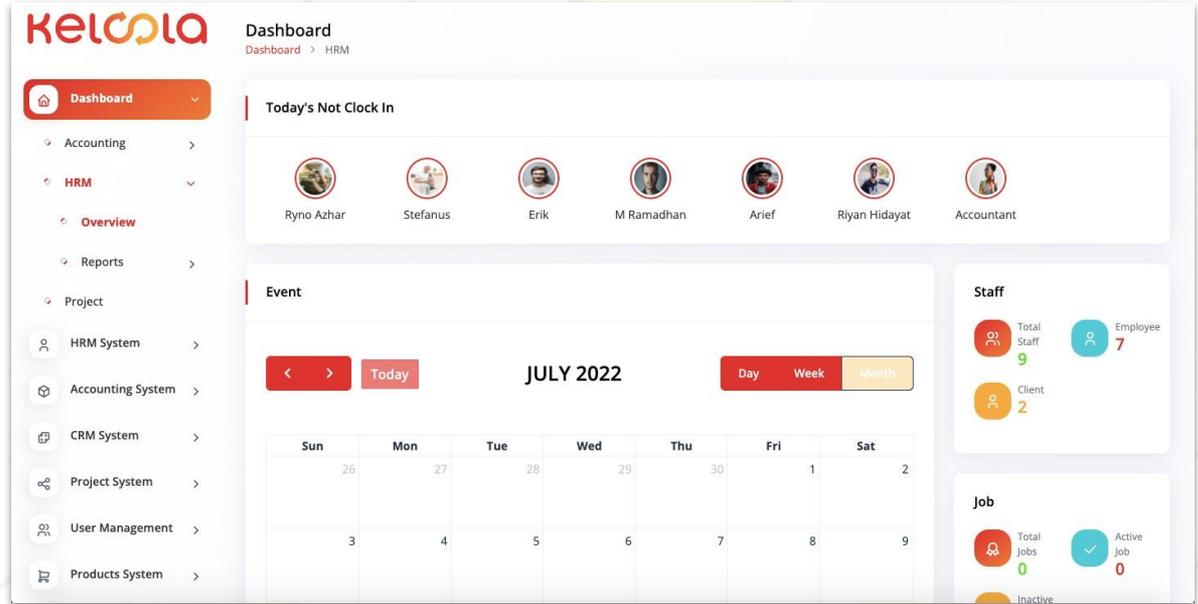

Complete Features for Your Business's Advancement

KELOOLA is an easy-to-use accounting tool that runs in the cloud and is suitable for many different kinds of businesses. KLOOLA is prepared for use and may be used to view financial information, manage product inventory, track sales invoices and invoicing, manage staff, pay clients, and manage your customers quickly and efficiently.

Human Resource System

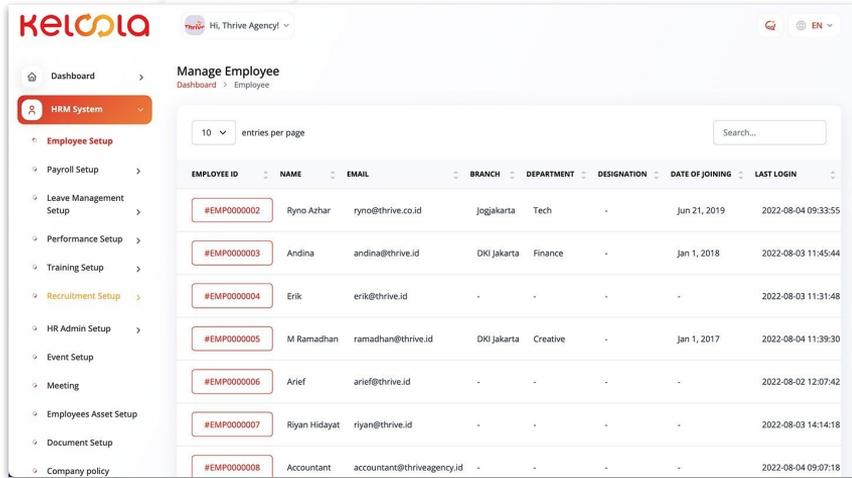

Dedicated for Growing Business

Managing all documents related to human resources will become even simpler, thanks to KELOOLA. From employee salaries and benefits to leave and permits, we make sure you can handle all of the records without problems.

The screenshot displays the KELOOLA HRM Dashboard. The interface includes a sidebar menu with options like Dashboard, Accounting, HRM, Overview, Reports, Project, HRM System, Accounting System, CRM System, Project System, User Management, and Products System. The main content area features a 'Today's Not Clock In' section with employee profiles (Ryno Azhar, Stefanus, Erik, M. Ramadhan, Arief, Riyan Hidayat, Accountant), an 'Event' calendar for July 2022, and a 'Staff' summary showing 9 Total Staff (7 Employee, 2 Client) and 0 Total Jobs (0 Active, 0 Inactive).

One Click Employee Management

With just a few clicks, KELOOLA will display all data related to employees, including events, staff, jobs, training, company announcement lists, and meeting schedules.

Manage Payroll

Monthly Payroll Summary

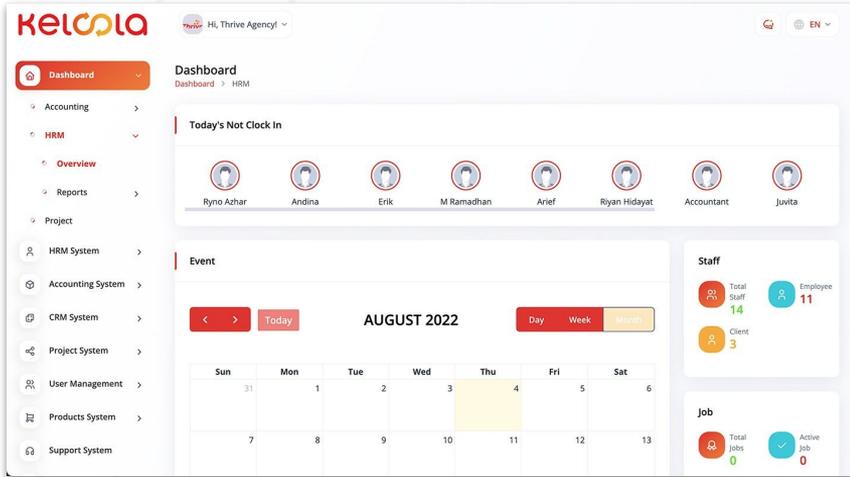

Report : Monthly Payroll Summary

Duration : Jul 2022

Total Basic Salary : Rp42,000,000.00	Total Net Salary : Rp42,350,000.00	Total Allowance : Rp200,000.00	Total Commission : Rp0.00
Total Loan : Rp0.00	Total Saturation Deduction : Rp0.00	Total Other Payment : Rp0.00	Total Overtime : Rp0.00

Complete Report

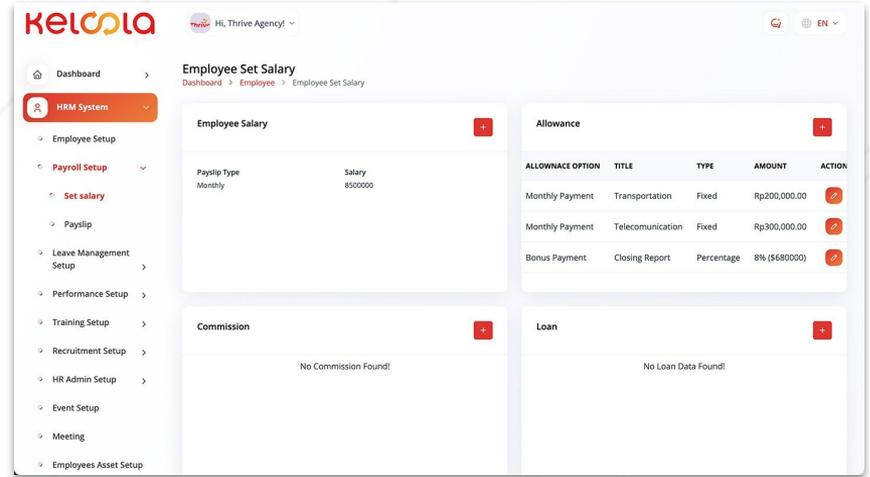

A comprehensive report to help you manage payroll, number of employee permits, and monthly attendance. Plus, it can be downloaded with a single click.

The screenshot shows the Keloola HRM Dashboard for 'Hi, Thrive Agency'. The dashboard includes a sidebar menu with options like Accounting, HRM, Reports, Project, HRM System, Accounting System, CRM System, Project System, User Management, Products System, and Support System. The main content area features a 'Today's Not Clock In' section with employee avatars, an 'Event' calendar for August 2022, and a 'Staff' summary showing 14 total staff and 3 clients. A 'Job' summary shows 0 total jobs and 0 active jobs.

All HR Needs in One Dashboard

HR Manager can edit the employee data, including which division the employee works in, what documents s/he provides, and banking data for payroll purposes, directly from a simple and easy-to-use dashboard.

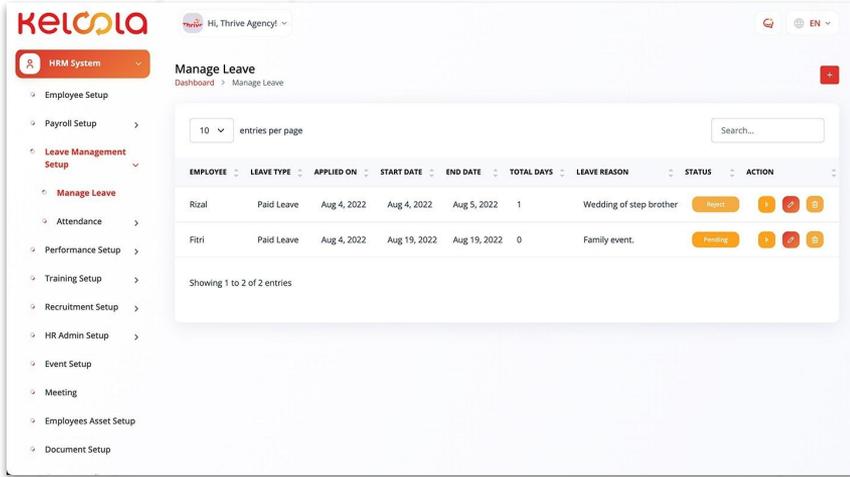

The screenshot shows the 'Employee Set Salary' page in Keloola. It displays a table for 'Employee Salary' with columns for Pay Slip Type, Salary, and Action. The table shows a monthly salary of Rp800,000. There are also sections for 'Allowance' and 'Commission'. The Allowance table lists various allowances like Transportation, Telecommunication, and Closing Report. The Commission section shows 'No Commission Found!'.

ALLOWANCE OPTION	TITLE	TYPE	AMOUNT	ACTION
Monthly Payment	Transportation	Fixed	Rp200,000.00	
Monthly Payment	Telecommunication	Fixed	Rp300,000.00	
Bonus Payment	Closing Report	Percentage	8% (\$680000)	

Download Payslip Directly

There is a payslip feature in KELOOLA that will help you download it quickly. No need to waste papers just to make it right.

CRM System

Manage Leads Effectively

KELOOLA comes with a comprehensive CRM system, making it easier for you to carry out pre and post sales activities.

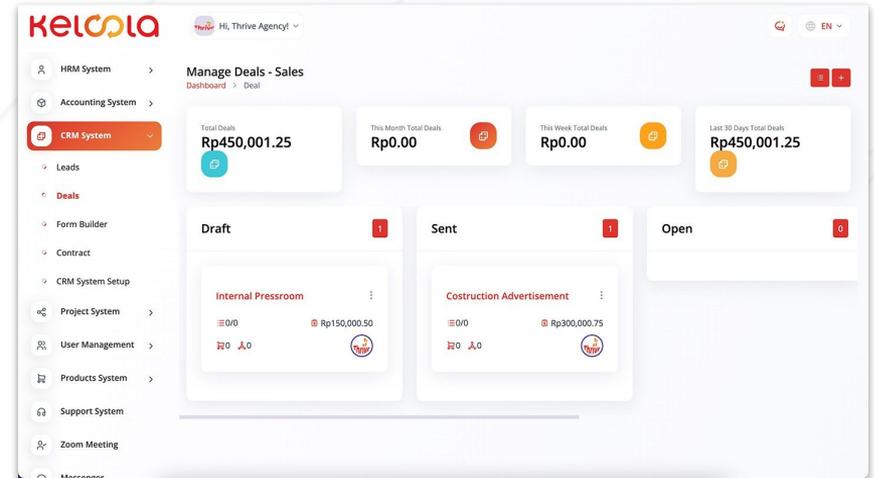

The screenshot displays the 'Manage Deals - Sales' dashboard in the Keloola CRM system. The interface includes a sidebar with navigation options: HRM System, Accounting System, CRM System (highlighted), Leads, Deals, Form Builder, Contract, CRM System Setup, Project System, User Management, Products System, and Support System. The main content area features a header with the Keloola logo and the title 'Manage Deals - Sales'. Below the header, there are four summary cards: 'Total Deals' (999,999.99Rp), 'This Month Total Deals' (999,999.99Rp), 'This Week Total Deals' (0.00Rp), and 'Last 30 Days Total Deals' (999,999.99Rp). A table below these cards shows deal statuses: 'Draft' (1), 'Sent' (0), and 'Open' (0). A detailed view of a deal is shown, including the name 'toyota pressroom', a value of 999,999.99Rp, and a status of 0/0. The footer of the dashboard reads 'Copyright Keloola - Thrive 2022'.

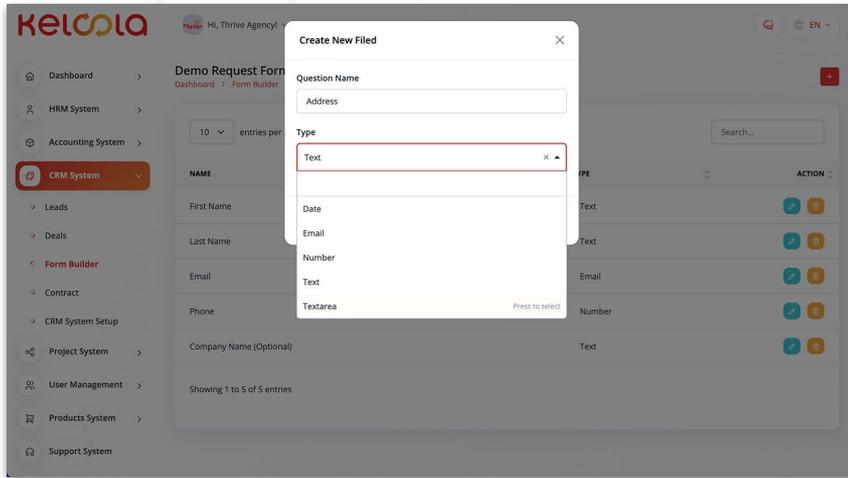

Easy to Manage Leads

Leads are an important part of the marketing process. You can find a card list that can be arranged and shifted according to leads status (draft, sent, or open).

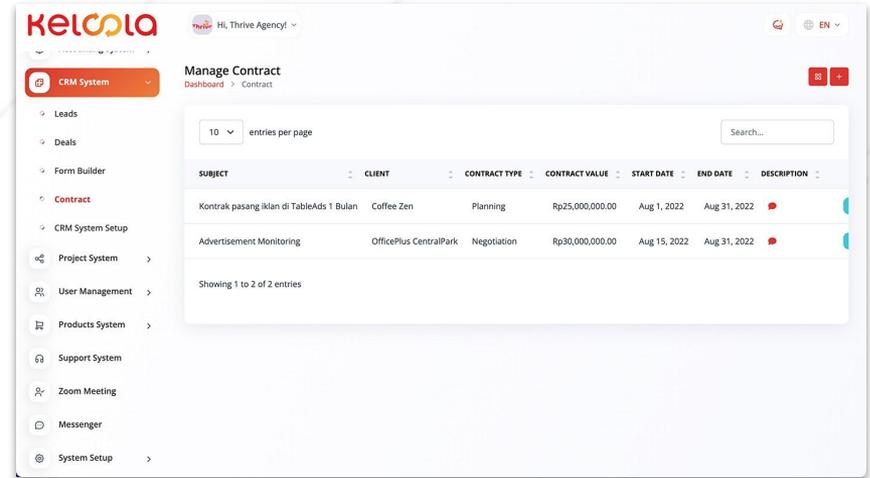

Monitor Deals in One View

Record and monitor agreement between you and potential customers. Just like the menu "Leads", the list of deals presented in card format.

Easy Way to Create Form

You can create a form, add fields that the customer must fill out, and submit it with a single click.

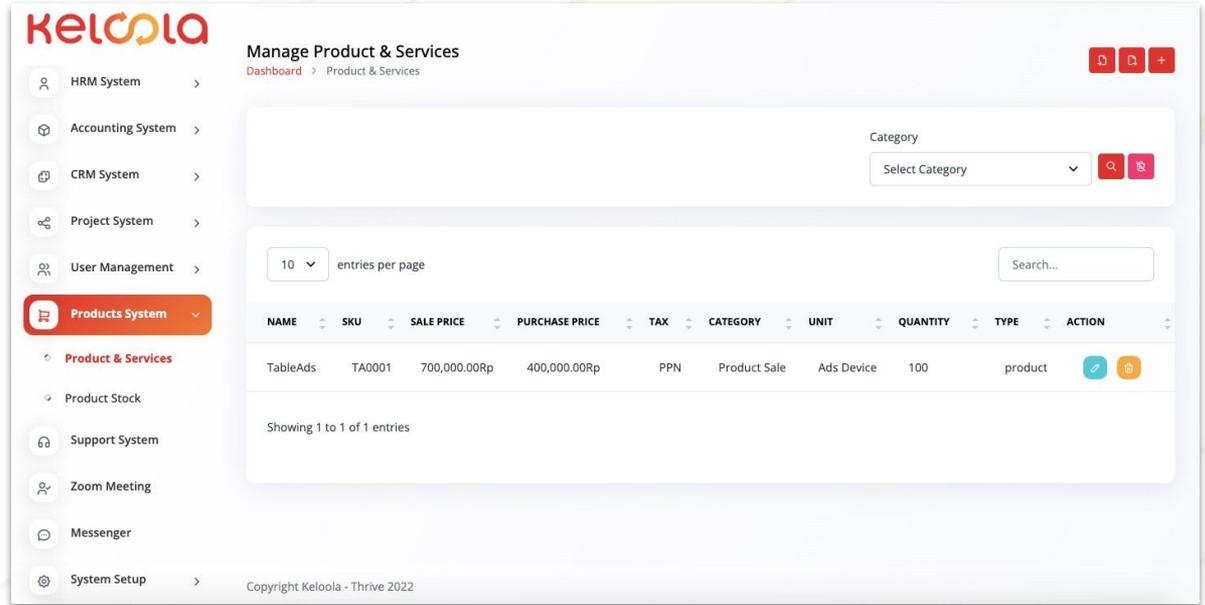

Manage Employment Contracts Efficiently

The menu "Contract" in KELOOLA helps you create, edit and check agreements between your companies and clients.

Product System

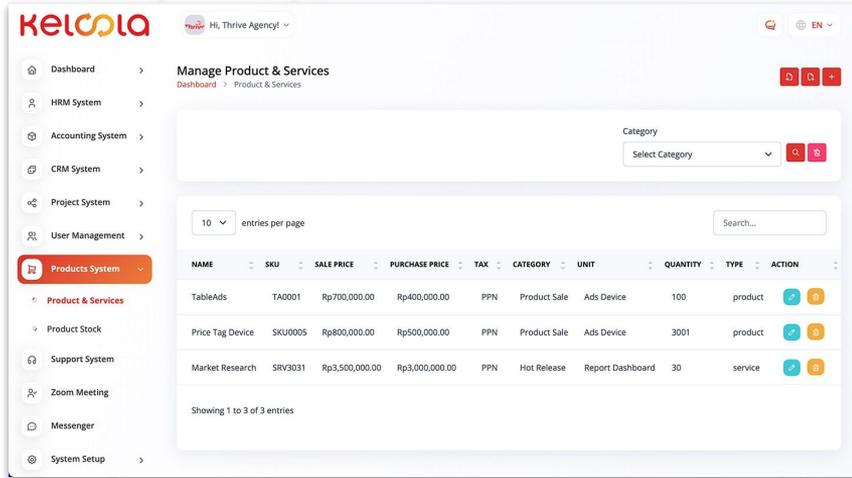

Manage Products and Stocks with Ease

KELOOLA will help you manage stocks efficiently so that your business can continue to serve loyal customers.

The screenshot displays the 'Manage Product & Services' dashboard in the Keloola system. The interface includes a sidebar menu with options like HRM System, Accounting System, CRM System, Project System, User Management, Products System (selected), Product Stock, Support System, Zoom Meeting, Messenger, and System Setup. The main content area shows a table with columns for NAME, SKU, SALE PRICE, PURCHASE PRICE, TAX, CATEGORY, UNIT, QUANTITY, TYPE, and ACTION. A single entry is visible: 'TableAds' with SKU 'TA0001', a sale price of 700,000.00Rp, and a purchase price of 400,000.00Rp. The interface also features a search bar, a category dropdown, and a pagination control showing '10 entries per page'.

NAME	SKU	SALE PRICE	PURCHASE PRICE	TAX	CATEGORY	UNIT	QUANTITY	TYPE	ACTION

Manage Stock to Fulfill Demand

The menu "Product Stock" help your company managing stock and check product availability.

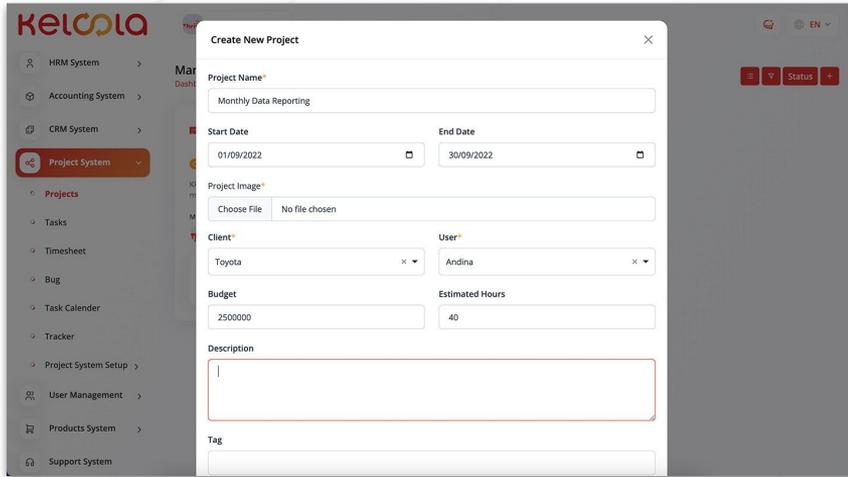

Project System

Create a Project, Monitor the Progress

Our platform also comes with a small-yet-important project management tool. It puts all projects into a list, through which you can monitor the progress down to the smallest detail.

The screenshot displays the 'Manage Projects' dashboard in the Keloola system. The interface includes a sidebar menu with options like HRM System, Accounting System, CRM System, Project System (highlighted), Projects, Tasks, Timesheet, Bug, Task Calendar, Tracker, Project System Setup, User Management, and Products System. The main content area shows a project titled 'Web Development' with a status of 'In Progress', three members, and a timeline from 01 Jul 2022 to 30 Sep 2022. The footer indicates 'Copyright Keloola - Thrive 2022'.
